

When a Zoning Permit is Required

The Planning Department would like to remind the citizens of Long View that the following residential activities require a zoning permit from the Town before any work begins on the site.

- Any addition to a principal structure.
- Demolition of existing structure.
- Deck/New or Addition
- Deck/adding a roof over an existing
- Deck/change to sunroom or screened porch
- Electrical/adding circuits or receptacles
- Exterior Generator
- Any type of Service Change or Repair
- Any type of Safety Inspection
- Any type of Utility or Storage Building

Additional permits may be required by Catawba County.

If you have any questions or comments please contact Town Planner Charles Mullis at (828)322-3921.
